# **Baptist Health South Florida Named One of the Fortune 100 Best Companies to Work For® in 2022 by Great Place to Work®**

*This is Baptist Health's 22nd Time on the List*

April 11, 2022 – Great Place to Work and *Fortune* have honored Baptist Health South Florida as one of [this year's 100 Best Companies to Work For](#) in the country. This is Baptist Health's

22<sup>nd</sup> time being named on the list, coming in at the #79 spot this year.

The *Fortune* 100 Best Companies to Work For® award is based on analysis of survey responses from more than 4.5 million current U.S. employees. In that survey, 83 percent of Baptist Health employees said Baptist Health is a great place to work. This number is 57 percent higher than the average U.S. company.

“It is truly an honor to be recognized once again for the high importance we place on creating and maintaining a workplace where our staff feels motivated and supported personally and professionally,” said Adriene McCoy, Baptist Health South Florida’s Senior Vice President and Chief Human Resources Officer. “We are committed to our employee and patient experience, and we know by taking great care of our team, we are able to deliver the best possible care to our community.”

The *Fortune* 100 Best list is highly competitive. Great Place to Work, the global authority on workplace culture, selected the list using rigorous analytics and confidential employee feedback. Companies were only considered if they are a Great Place to Work-Certified™ organization.

Great Place to Work is the only company culture award in America that selects winners based on how fairly employees are treated. Companies are assessed on how well they are creating a great employee experience that cuts across race, gender,

age, disability status, or any aspect of who employees are or what their role is.

“Best Companies’ leadership has never been more necessary,” says Michael C. Bush, CEO of Great Place to Work®. “As workers struggle with the Great Resignation, burnout and covid disruptions, these exceptional companies offer workplace experiences as strong as prior to the pandemic. These companies get that ‘place’ is wherever their employees are sitting or standing, and they are committed to make that place equitable, safe and productive. Their commitment to genuinely care for their people through trust, inclusion, purpose and meaningful flexibility for life circumstances goes beyond surface-level perks and is a model for the market to follow.”
