C. L. Brumback Primary Care Clinics Celebrate New Location in Lake Worth with Ribbon-Cutting Ceremony

 The C. L. Brumback Primary Care Clinics marked the opening of its new clinic location in Lake Worth with a ribbon-cutting ceremony on September 24. The event was hosted by the Hispanic Chamber of Commerce of Palm Beach County. Since the new clinic opened its doors to patients on August 3, the clinic has seen 842 patients. Sixty percent of the patients seen so far are new patients to the Brumback Clinics.

"We are excited that our medical staff at the new Lake Worth clinic site are able to provide care to all patients who are seeking high-quality, affordable primary health care," said Christopher F. Irizarry, MPA, FQHC Executive Director. "Our goal is that this clinic, as well as all of our clinics, will become the medical home for our patients' health care needs."
