# Jackson North Medical Center Earns Bariatric Surgery Center of Excellence® Designation

Jackson North Medical Center, a satellite of Jackson Health System, received designation as a Bariatric Surgery Center of Excellence® by the American Society for Metabolic and Bariatric Surgery (ASMBS) and Surgical Review Corporation (SRC). On March 16, 2012, the Weight Loss Surgery Center at Jackson North received this designation for providing superior bariatric surgery patient care, promoting optimal levels of performance and advancing the safety, efficacy and efficiency

of bariatric and metabolic surgical care.

At Jackson North, the Bariatric Surgery Center of Excellence® offers a holistic approach to weight loss for patients who are unable to lose excessive weight through diet and exercise. Sandy Sears, chief administrative officer of Jackson North Medical Center, said, "Weight loss surgery is a life-changing step and the caring, compassionate team at Jackson North works with each patient to create an individualized strategy to achieve their weight-loss goals."

South Florida Hospital News and Healthcare Report's number one goal is top quality healthcare journalism written and edited for the region's most successful, powerful healthcare business executives and professionals.
