Lawnwood Celebrates Gift of Life on Valentine's Day

February 11, 2022) – On Valentine's Day, February 14 from 3-5 p.m., Lawnwood Regional Medical Center in partnership with Life Alliance Organ Recovery is hosting a special ceremony to honor donor families in the community and also celebrate the lives of transplant recipients who received the gift of life.

During the ceremony, donor families will share their reflection stories and there will also be a message of hope

from an organ recipient. The ceremony will take place outside in front of the hospital by Lawnwood's Garden of Life.

"We are proud to honor the donor families in the Treasure Coast whose loved ones have made a profound difference through organ and tissue donation," said Eric Goldman, Lawnwood Regional Medical Center Chief Executive Officer. "Through our partnership with the Life Alliance Organ Recovery Agency, Lawnwood has the opportunity to save countless lives through organ donation as well as provide organs and tissues for research to advance medical science."

The program will conclude with a butterfly release in the garden to honor the donors. There will be a dedication in the garden where donor families can reflect and a flag is raised in their honor.

Lawnwood Regional Medical Center is a facility of HCA East Florida. **HCA East Florida** is the largest healthcare system in Eastern Florida and an affiliate of HCA Healthcare (HCA). **HCA East Florida** has 14 hospitals, multiple ambulatory surgery centers, urgent care centers, physician practices, imaging centers and free standing emergency care facilities, as well as a supply chain center and an integrated regional lab. Together, **HCA East Florida** employs more than 18,000 employees and has more than 6,600 physicians on staff. For more information, visit HCAEastFlorida.com.
