Lee Health Welcomes Four Neurosurgeons to Lee Physician Group

December 14, 2022 – Lee Health's Lee Physician Group welcomes the addition of four new neurosurgeons into its medical practice.

Through the purchase of Southwest Florida Neurosurgical and Rehab Associates, Gary Correnti, M.D., Wesley Faunce III, M.D., Donald Moyer, M.D., and Douglas Savage, M.D. are now part of Lee Physician Group's innovative and expert neurosurgery team.

Lee Health's neurosurgeons work to prevent, diagnose and treat disorders that affect any portion of the nervous system, including the brain, spinal column, spinal cord, peripheral nerves and the cerebrovascular system.

"We are proud to continue to expand care across our region with the addition of these high-quality physicians, who have served our region for more than 20 years," said Kris Fay, Lee Health's chief officer of community based care. "We are committed to meeting the needs of our community and providing our patients with high-quality, innovative care right here in Southwest Florida."

Drs. Faunce and Moyer will practice at the LPG Neurosurgery Cape Coral office, located at 632 Del Prado Blvd. N. Drs. Correnti and Savage will be at the Fort Myers office, which is at 12700 Creekside Lane, Suite 301.

For more information about Lee Health's neurosurgery program, visit www.leehealth.org

About Lee Health

Since the opening of the first hospital in 1916, Lee Health has been a health care leader in Southwest Florida, constantly evolving to meet the needs of the community. A non-profit, integrated health care services organization, Lee Health is committed to the well-being of every individual served, focused on healthy living and maintaining good health. Staffed by caring people, inspiring health, services are conveniently located throughout the community in four acute care hospitals, two specialty hospitals, outpatient centers, walk-in medical centers, primary care and specialty physician practices and other services across the continuum of care.
