## Mayo Clinic Healthcare in London adds physicians

London November 7, 2022 – [Mayo Clinic Healthcare](#), an outpatient clinic that provides personalized health care including specialty care such as [cardiology](#), [gastroenterology](#) and [pulmonary medicine](#), second opinions, advanced medical imaging and tailored wellness plans, is adding several physicians.

Joining Mayo Clinic Healthcare are:

- [Safia Debar, M.B.B.S.](#), whose focus areas include stress management, [executive health screenings](#), women's health and hormone health, and [tailored medical exams](#).

- [Helen Mitakidis, M.B.B.Ch.](#), whose areas of expertise include family medicine, infectious diseases, travel medicine, women's health, preventive medicine, executive health screenings and tailored medical exams.
- [Sarmed Sami, MBChB, Ph.D.](#), a gastroenterologist whose areas of focus include [oesophageal conditions](#) and a wide range of [digestive diseases](#). Dr. Sami performs several procedures including [colonoscopy](#), [endoscopic mucosal resection](#) for Barrett's oesophagus, [endoscopy](#), [screening for gastrointestinal cancer](#), [radiofrequency ablation for Barrett's oesophagus](#), and [capsule endoscopy](#), also known as wireless capsule testing, in which a tiny camera takes images of the digestive tract.

The clinic, located at 15 Portland Place in the Harley Street Medical Area, also serves as a gateway to [Mayo Clinic's](#) roughly 4,000 physicians in the United States. Mayo Clinic Healthcare's wellness plans include genetic testing and programs tailored to corporations and executives. Patients can expect a pre-planned itinerary with most tests performed and analyzed before they see their specialist.

The clinic offers a range of [diagnostics](#) including colonoscopies and other cancer screenings, abdominal ultrasounds, bone density tests, CT coronary angiograms, magnetic resonance imaging (MRI), X-rays, electrocardiograms and echocardiograms.
