# **MediXall Group, Inc. Announces Appointment of Dr. Christopher Metzler to its Board of Directors**

MediXall Group Inc., (OTCQB: MDXL), a technology and innovation-driven organization structured to bring effective change to the U.S. Healthcare Industry, today announced the appointment of Dr. Christopher Metzler as a non-executive director.

"We are very pleased to have Dr. Metzler join our board and

look forward to his contributions,” said Michael Swartz, President of MediXall. “Dr. Metzler is a global thought leader, and he understands the power we have to reimagine the way healthcare providers can do business. His experience as an entrepreneur, government strategist, and industry disruptor will be invaluable to MediXall and our customers in this new digital healthcare environment.”

Dr. Christopher Metzler is a political pundit, international strategist, legal scholar, and serial entrepreneur/CEO to a worldwide medical empire. An on-camera television and digital personality, he is best known for going beyond the talking points with in-depth reasoning, modern-day voice, and analysis. During regular appearances on CNN, ABC, MSNBC, Fox News, Al Jazeera, HLN, Newsmax, CNBC, OAN, WHDT TV, BBC, TV ONE, News One, Arise America, Celebrity Page TV, Afterbuzz and more, he provides expert commentary on U.S. and global affairs, politics, healthcare, trending topics, and law.

According to Dr. Metzler, “Healthcare is of concern to all Americans. The costs have skyrocketed, yet care has diminished. I am humbled to join the MediXall Board because I believe that MediXall will disrupt the healthcare sector by providing access to exceptional providers at competitive prices. I am looking forward to lending my expertise to their innovative team to revolutionize healthcare for all.”

Educated at The University of Oxford in Oxford, England and Columbia University, Dr. Metzler obtained a Ph.D. in International Legal Philosophy and Medicine from The University of Aberdeen. A former faculty member at Cornell University, he was both a professor and Senior Associate Dean of Applied Management Degrees at Georgetown University. Today, he is a Senior Fellow at Thomas Jefferson University’s Institute of Emerging Health Professions – home of The Sidney Kimmel School of Medicine.

A seasoned, conservative political operative, Dr. Metzler has worked on major political campaigns providing appropriate messaging and strategic advice as a direct link to the governing party as well as the Republican party.

“Drawing on his years of experience in healthcare and

politics, Dr. Metzler will provide fresh insight to our technology, business, and political priorities. We continue to transform our business and the healthcare industry as a whole at an accelerated pace,” said MediXall Group Chief Executive Officer Neil Swartz.

Since the start of his career in 1992, as a Legal and Medical Scholar, Dr. Metzler has worked in over twenty countries providing advice on geopolitics, emerging markets, world law, medicine and related topics. Dr. Metzler’s business portfolio spans wide in the medical and management consulting fields. Currently, he is a Director/CEO of Gordium Healthcare, City Place Pharmacy, Next Generation Labs, Southern Medical Labs of NW Florida, JMI Consulting, Medicine on Wheels, 911 Urgent Care, FHWFIT, and others.
