MEMORIAL HEALTHCARE SYSTEM MAKES DONATION TO CHILDNET

October 13, 2021 – [Memorial Healthcare System](#) recently made a \$12,500 donation to [ChildNet](#), with Memorial leaders Melida Akiti and Maggie Hansen presenting a check to Andrea Cunningham, ChildNet's director of community relations.

MHS had been awarded the dollars as a finalist in the American Hospital Association's "Quest for Quality" program and elected to use the money to provide a safe, comfortable, and friendly space for abused or neglected children to meet with their biological parents within 72 hours of entering ChildNet's foster care program. This is especially important since many children don't completely understand why they were removed from their family situation.

South Florida Hospital News and Healthcare Report's number one goal is top quality healthcare journalism written and edited for the region's most successful, powerful healthcare business executives and professionals.
