Message From the CEO of Community Health of South Florida, Inc.

September 9 2021 – The success of our 50th birthday celebrations continues to lift us up and drive CHI forward. We held our first Donor Recognition Event, where we inducted more than 80 donors into CHI's Giving Societies with cumulative giving between \$1,000 to over \$300,000. Thank you to our inductees for believing in CHI. If you missed our event, you can watch it by visiting www.chsiouthfl.org/givingsocieties.

The event was made extra special with the announcement of a \$50,000 gift from Direct Relief. Direct Relief is a humanitarian aid organization active in all 50 states and in 80 countries, dedicated to improving the health and lives of people affected by poverty or emergencies. In the past, Direct Relief has been instrumental in helping CHI acquire our Medical Mobile Van and PPE for our medical teams during the

COVID-19 pandemic. And now, their \$50,000 grant will help CHI continue providing quality care to the South Florida community. We are very grateful to the Direct Relief team for their support.

With less than \$1 million away from our goal, our Children's Crisis Center capital campaign is nearing the finish line – but not before we enjoy a few more festivities! Join us on our special birthday year for a variety of exciting events and fundraising initiatives. On September 25, we're hosting our Golden Legacy 50th Anniversary Gala, complete with dancing, food, and incredible milestones. On October 7, we invite you to bring your 'A' game to our annual Glen Rice Celebrity Golf Tournament at the Biltmore Hotel Golf Course. All proceeds will go toward helping children with severe mental illness via our Children's Crisis Center. To sponsor or buy your tickets to these events, visit chisouthfl.org/gala or chisouthfl.org/golf.

If you can't make our events, there are plenty of other ways to give. Participate in CHI's Happy Birthday Campaign, where every gift received this year, no matter the amount, is recognized on our Birthday Wall at Doris Ison Health Center and on our website. You can also design your own brick with a special message that will be laid at the entrance of the Children's Crisis Center to welcome all who come for care. To donate, please visit our website at chisouthfl.org/give.

Sincerely,
