# **SR Construction Services LLC and Saltz Michelson Architects selected by FoundCare Inc**

May 15th, 2019 – SR Construction Services LLC and Saltz Michelson Architects have been announced by FoundCare Inc. today as the selected construction consortium for their important upcoming project located at 5867 Okeechobee Boulevard in West Palm Beach.

The design build project consists of re-purposing an existing structure. Some of the details are to completely remodel the

entire 2nd level into much needed office space and converting a portion of the 1st floor into patient care space for those in need of unmet healthcare.

FoundCare Inc. is a very prominent Palm Beach county non profit organization whose mission to fulfill unmet healthcare and social service needs of individuals and families. We here at SR Construction Services and Saltz Michelson Architects always enjoy working with these vital non-profits who do so much good for the community.

South Florida Hospital News and Healthcare Report's number one goal is top quality healthcare journalism written and edited for the region's most successful, powerful healthcare business executives and professionals.
