Sweet Serenade for Caregivers

This afternoon, some Broward Health caregivers were treated to a performance by our musical therapist Erica Gard in the lobby of Broward Health Medical Center in Fort Lauderdale. The interlude, to “Lean on Me,” is a reminder that we’re all in this together. Our medical professionals continue to demonstrate their passion for caring for our patients and the community during the COVID-19 health crisis.

Erica is a Child Life Specialist at Salah Foundation Children’s Hospital where she uses musical therapy to help our pediatric patients prepare and recover from procedures.
