The Preserve to host Community Cookout for health care workers and first responders

October 4, 2022 – The Preserve, in partnership with The Roads Home Health, will host a Community Cookout for first responders and health care workers on Friday, Oct. 7. Meals will be offered from 11 a.m. to 1 p.m. at The Preserve, located at 14750 Hope Center Loop in south Fort Myers.

“This is a devastating time for so many people in our community, including health care workers and first responders who still have a

job to do and are unable to attend to many of their own personal needs,” said Rachel Byrd, director of sales and marketing for The Preserve. “The Preserve and The Roads Home Health want to show our appreciation and support for those working tirelessly to keep our community safe and cared for.”

In addition to offering meals at The Preserve, the two organizations will also be delivering meals to hospitals and other first responders actively working to restore the community.

About The Preserve

Located at 14750 Hope Center Loop, at the corner of Six Mile Cypress Parkway and Plantation Road, The Preserve offers 75 private skilled nursing suites for senior residents with specialized or advanced health care needs, as well as 21 boutique assisted living apartments and 17 memory support suites. The community serves as a critical resource for post-acute care, offering high-quality medical services, rehabilitative care and social programs. Highly trained staff members and licensed professionals provide continuous medical support and foster a culture of caring and hospitality, creating specialized programs focused on rehabilitative and restorative care. About Volunteers of America

Volunteers of America is a national, nonprofit, faith-based organization dedicated to helping those in need live healthy, safe and productive lives. Since 1896, our ministry of service has supported and empowered America’s most vulnerable groups, including veterans, seniors, people with disabilities, at-risk youth, men and women returning from prison, homeless individuals and families, those recovering from addictions and many others. Through hundreds of human service programs, including housing and health care, Volunteers of America helps more than 1.4 million people in over 400 communities. Learn more at www.voa.org.
